Fold over  
central leaf (but not front leaf),  
then tape tip of tab down inside the sheath.

TRIM OFF

## SPIRITUS

Attribute representing spiritual existence. For living entities, represents spiritual life. Reflects four main Spiritual Traits and Aura.

### PRESENCE (PRE)

Trait representing projection, penetration, and intensity of personality and emotions.

### WILL (WIL)

Trait representing determination and resolve; emotional endurance.

### MAGNETISM (MAG)

Trait representing intensity of charismatic and animal attractiveness, separate from physical beauty.

### INTUITION (INT)

Trait representing accuracy of instinctual or gut feeling; anticipation based on emotion.

### AURA

Aura is the area around a being (in meters) that may be considered a part of that being for magical purposes, spell effects, and general life force.

# SPIRITUS

tape tab in this position on  
opposite side

### Attribute Sheath

Folds to create

A vertical sheath with viewing window

A storage pocket on the right side

Vertical sheath houses the "Attribute Slider."

Side pocket holds different things...
